Vistavis – Facilities Services Simplified

We are a leading provider of specialist cleaning, flooring, and building services, offering a range of solutions tailored to meet the diverse needs of businesses across the UK.

Our Services

Operating nationwide, we deliver a range of services designed to ensure the cleanliness, safety, and maintenance of commercial spaces:

- **Cleaning Services:** Including window cleaning, floor care, deep cleaning, kitchen sanitation, and specialist technology cleaning for sensitive environments like data centres.
- **Flooring Services:** Supplying, installing, and restoring all types of floor coverings, ensuring durability and aesthetic appeal.
- **Building Services:** Providing maintenance and repair solutions to keep facilities in optimal condition.

Commitment to Quality and Sustainability

Vistavis holds ISO 9001 and 14001 accreditations, demonstrating a commitment to quality management and environmental responsibility. We also maintain Safe Contractor and CHAS certifications, ensuring exacting standards of health and safety.

National Coverage and 24/7 Availability

With a presence across England, Scotland, Wales, and Northern Ireland, we operate around the clock to meet client needs, offering both scheduled and emergency services.
